

Micromech Visitor Covid 19 Health Screening Questionnaire

The safety of our employees, customers, families, and visitors is our overriding priority. As the coronavirus (Covid-19) outbreak continues to evolve and spreads globally, we at Micromech are monitoring the situation closely and will periodically update company guidance based on the current recommendations from the Centre for Disease Control and the World Health Organisation.

To help prevent the spread of Covid-19 and reduce the risk of potential exposure to our employees and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures for you and our staff's protection.

Please consider if your visit to Micromech is absolutely necessary and if the meeting could be conducted via telephone.

Visitor Name:	
Company:	

If the answer to any of the following questions is YES, access to our premises will be denied.

Self-Declaration by Visitor
